***“Share His Love!”***

# *Think Globally and Act Locally*

- As a Christian, we are commanded to make disciples of all nations (*Share the Gospel*).
- Christ told us to love our neighbors as we love ourselves (*Love others*).
- Are you willing to make a difference? (*Together we can make it happen!*)
- USA Program would like you to make a positive change in our world for Christ (*Impact our world by becoming a missionary in your own home!*).
- By hosting one of our intl. students, you can bless them and bring God into their lives. (*Minister*)
- By doing so, your intl. student will become a missionary in his home country by sharing his experiences with his family and friends upon his return.

# USA *Program Commitment is ...*

- ✓ To glorify God in all that we do in the USA Program
- ✓ To share the Gospel of Christ (Mt. 28:19) with our international students

- ✓ To pray for the intl. students to accept Christ as their Lord and Savior and later become missionaries in their home countries by sharing God's love with their families and friends upon their return
- ✓ To reach the world's youth by sponsoring intl. students from various countries on all continents
